MINISTRY OF COMMERCE

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 24th November 1950

**SUBJECT:—***Resumption of interviews with Senior Officers in the Office of the Chief Controller of Imports, New Delhi, with effect from the 28th November 1950.*

No. 147-ITC(PN)/50.—It has now been decided to remove the restrictions laid down in this Ministry's Public Notice No. 58-ITC(PN)/50, dated the 18th July 1950 and to resume the grant of interviews to members of the public with effect from the 28th November 1950, subject to the arrangements stated below.

2. The Chief Controller of Imports will grant interviews on the mornings of Tuesday and Friday of each week to parties who wish to discuss questions of policy and general principles relating to the Import Trade Control. He will not normally grant interviews in connection with individual applications, which will be dealt with by other officers as below. Appointments to see the Chief Controller of Imports should be arranged with his Private Secretary (Mr. A. S. Sethi, Telephone No. 43307).

3. The Joint Chief Controllers of Imports will grant interviews on the afternoons of Tuesday and Friday of each week to parties who desire to make personal submissions in the case of appeals and representations against orders passed in individual cases by the Deputy Chief Controllers of Imports and subordinate officers.

4. Those Deputy Chief Controllers and Controllers who will grant interviews are indicated in the attached Schedule. They will grant interviews in the afternoons of Tuesdays and Fridays to parties whose applications are being dealt with in their respective charges.

5. Interviews in all cases other than with the Chief Controller of Imports are to be arranged through the Enquiry Officers occupying rooms No. 57, 59 and No. 60 in the Office of the Chief Controller of Imports.

6. Interviews other than those with the Chief Controller of Imports will only be granted between the hours of 2 P.M. to 5 P.M. on the days specified above.

7. To enable the public to know which officer is concerned with their particular subject a Schedule is attached giving particulars of the charge held by each Joint Chief Controller of Imports and each Deputy Chief Controller of Imports and Controller of Imports, who is authorised to grant interviews.

8. Interviews will be granted subject to the following conditions:—

(a) No interview will be granted within one month of the date of an application made to this Office;

- (b) once a person has booked an interview with any particular officer for any particular day, he will not be permitted to make any further booking with the same officer, until the interview already booked has taken place;
- (c) no interview will be arranged for any person with any particular officer for a date sooner than one month after the last date upon which the same person had an interview with the same officer;
- (d) in interpreting (b) and (c) above, the terms "person" or "any person" will include not only the individual person concerned, but any other representative of the particular firm or firms which that individual represents. Thus a firm may not seek to circumvent the above rules by sending a series of representatives to seek successive interviews in contravention of the spirit thereof;
- (e) nothing contained in this Public Notice shall prevent a person who desires to arrange an interview with any particular officer from handing in more than one interview slip requesting an interview with that officer on the particular day in question. If such a person wishes to discuss more than one problem with the officer concerned on the day in question, it is indeed necessary for him to hand in more than one interview slip so that arrangements may be made for tracing the papers relating to each problem; and
- (f) interviews will only be granted to the authorised representatives of firms who must, if so required, furnish proof in the form of a Power of Attorney to establish that they do in fact represent the firm on whose behalf an interview is sought.

9. If it is found that any person or firm has sought to contravene the provisions of this Public Notice, such person, and any representatives of such firm, may be debarred from seeking further interviews with officers of the Chief Controller of Imports' Office.

10. Following the resumption of interviews no information in regard to individual cases will be given in response to TELEPHONE ENQUIRIES addressed to individual officers.

(Issued from File No. E.92-Adm./50.)
